Campus Safety & Security

Campus Safety and Security at Felician College is a shared responsibility. We are concerned about the safety and welfare of our students, faculty, staff, and guests, and we are committed to providing a safe and secure campus environment. The best protection is a strong security presence and an aware, informed, alert campus community who uses reason and caution in all situations. In accordance with Section 485 (a) and (f) of the Higher Education Act, also known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the following is a summary of information concerning campus security procedures and crime statistics.

The Office of the Vice President for Student Affairs is responsible for preparing and distributing this report. This office works with a contracted security agency, APG Security, Sterling Investigative Services, law enforcement agencies appropriate to our Clery geography, and staff designated as Campus Security Authorities (CSA) to compile the information. Security coverage is provided 24 hours, seven days a week for the entire campus community, both in Lodi and Rutherford. The Campus Security Department is under the direction of the Vice President for Student Affairs.

An overwhelming majority of the Felician community and campus visitors never experience crime at our College. However, crimes sometime occur. In an effort to inform the college community of our commitment to campus safety and security, this report is available to all students, faculty, and staff in document form in the Lodi office of the Vice President for Administration, Enrollment and Planning. On the Rutherford campus it is available in the Office of the Vice President for Student Affairs. Email notification is sent to the entire community describing Clery Law, an electronic copy of the report, and a link to its publication on the college website. The following is a summary of information for the calendar year 2013.

Incident Reporting

It is the responsibility of every member of the Felician College community (administrators, faculty, staff, and students) to immediately report any incident that occurs on the campus that is disruptive, causes harm, loss or damage to a person or to personal or real property. Any unacceptable or offensive behavior, criminal act, medical emergency, injury to persons, theft, auto accident, fire, vandalism, damage to buildings or equipment, is to be reported immediately.

If medical assistance is required, victims of crime are encouraged to seek aid from the Center for Health located on the lower level of Milton Residence Hall on the Rutherford Campus.

Free and confidential professional counseling services are available to campus crime victims through the Counseling Center located on the Rutherford Campus in the Student Union. In accordance with NJ Statute 45:15BB-13, disclosure of confidential client or patient information regarding Confidential Relations and Communication, Professional Counselors maintain confidentiality within the counseling office. The inclusion of crime statistics reported to Professional Counselors is not required and may not be included in campus crime statistics.

Additionally, pastoral counseling is available through the Campus Ministry Office located in the Student Union Building on the Rutherford Campus and on the lower level of Obal Hall on the Lodi Campus.

➤ *Reporting Procedures*

In cases where there is a need for emergency assistance by Police, Fire, or Medical personnel, students, faculty and staff are instructed to go to the nearest phone and dial 911, to reach the Lodi or Rutherford Police, and then notify the Campus Security Office (201-559-3561) on the Rutherford Campus or by dialing zero from a College phone to reach the College operator.

In all cases, both emergency and non-emergency, an Incident Report is to be completed by the immediate supervising administrative authority within 24 hours and forwarded to the appropriate office. We prefer that the Felician Community use our Maxient Incident Report Form found at the following link: <https://publicdocs.maxient.com/incidentreport.php?FelicianCollege>. The possible offices include, but not limited to, the Office for the Vice President for Student Affairs, the Campus Security Office, Office of Residence Life, and the Office of the Vice President of Academic Affairs. In the case of an employee of the College, an Incident Report should be sent to the Director of Human Resources.

Prompt filing of Incident Reports enables the President, the Vice President for Student Affairs, and other senior officials to issue Timely Warnings to the Campus Community, if deemed necessary.

Response to Reported Incidents

When there is an emergency or a criminal action that endangers some or all of the campus community or its neighbors, the Vice President for Student Affairs (or his/her designee) will consult with the appropriate administrator and local authorities and enact plans of action which includes the means of communicating with all persons affected or at risk. For other incidents, the appropriate administrator is responsible for evaluating a possible reoccurrence and future risk potential. Based on this assessment, he/she will recommend a corrective policy and/or procedure to the Vice President for Student Affairs. Additionally, the College may initiate the college wide notification system and determine the content of the notification based on the severity of the situation and taking into consideration the safety of the College community. This would be done unless this issuing of a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or contain, respond to or otherwise mitigate the emergency.

Daily Crime and Fire Log

A written, Daily Crime and Fire Log is maintained by the Office of the Vice President for Student Affairs that records, in chronological order, all crimes, instances of fire, and other serious incidents reported on campus or within the department's jurisdiction. The crime and fire log for the most recent 60 day period is open to public inspection during normal business hours in the Office of the Vice President for Student Affairs located in Student Union Building on the Rutherford campus and in the Office of the Vice President for Administration, Enrollment and Planning located in Obal Hall on the Lodi Campus. Any portion of the log older than 60 days, is available within two business days of a request for public inspection.

Felician College Procedure for Collecting Data and Publishing Daily Crime Log

- When incidents are reported they are sent to the College Conduct Officer
- The College Conduct Officer determines the classification of the incident as defined by the Clery Act as specified in the Handbook for Campus Crime Reporting
- ,If an incident is classified as an alleged Clery law violation, the information is added to the daily crime log via an excel document.
- A pdf is created to ensure data integrity and forwarded to the webmaster for posting in the consumer information section on the web.
- The College Conduct Officer then sends an email copy to the Office of the Vice President of Student Affairs and the Office of the Vice President for Administration, Enrollment and Planning.
- Paper copies are immediately available on both the Rutherford and Lodi campuses during normal business hours.

Timely Warning and Emergency Notification

In the event that a situation arises, either on or off campus that, in the judgment of a Senior Administrator, constitutes a threat a campus-wide timely warning will be issued. It will be decided on a case by case basis in light of facts, nature of the threat, and any possible danger to the campus community. The notifications regarding emergencies are issued through one or more of the following means listed below:

- Campus emergency notification system, E2 campus emergency text message
- Campus wide e-mail and/or voice mail
- Notification on the Felician website

Anyone with information suggesting a timely warning is needed is to report the circumstances to a Senior Administrator or by dialing the Lodi Telephone Operator at 201-559-6000, or by dialing zero from a campus phone, or the Security Office at 201-559-3561.

Emergency Response Evacuation

The College will immediately notify the campus community of an emergency or dangerous situation upon confirmation that a critical situation exists. The Office of the Vice President for Administration Enrollment and Planning, or designee, is responsible for the notification and coordination of the College response. Different levels of critical situations require specialized consideration and professional judgment to provide protection for the College community. Decisions will be made on a case-by-case basis by senior administrators in conjunction with local authorities. Procedures may include securing the residence halls and/or directing students, staff and visitors to safe locations. If required, transportation of persons will be coordinated with appropriate personnel, most immediately by the members of the professional staff in conjunction with Campus Security and by a senior administrator who is granted authorization for this action. Coordination for assistance, equipment and supplies will be determined at the relocation site as needed.

Members of the Senior Administration located closest to the campuses are tasked with the determination, based on reported conditions, to enact a partial or full campus evacuation, a College lock-down or other appropriate steps to protect members of the College community. Once the decision has been made to invoke emergency procedures, students, faculty and staff will be notified by the communication systems as outlined in the section above entitled “Timely Warnings and Emergency Notifications.” The Director of Institutional Communications will be continually briefed by the Senior Administrator in charge and in turn will issue reports to the Felician College community media and general public regarding the conditions which resulted in the emergency situation and any appropriate changes in the circumstances.

In the event of a partial evacuation, students, faculty and staff will be alerted and instructed to report to a safe building or area, a facility or area not threatened by the current conditions, transported to the other campus or when possible sent home. In the event of a full campus evacuation, students, faculty and staff will be transported to the other campus, or when possible sent home. In the event of a lock-down situation, students, faculty and staff will be notified by established procedures and instructed to take shelter in a College facility which will be under the supervision of College Administration and College Security.

Campus Security Authorities

The Clery Act requires that the College identify individuals with significant responsibility for student and campus activities as Campus Security Authorities (CSA). The function of a CSA is to report to the office designated to collect crime report information, those incidents that he or she concludes were made in “good faith.” The Office of the Vice President for Student Affairs is the designated office.

Alleged crimes that are reported to Campus Security Authorities are reported to the College Conduct Officer, which is the designated individual by Vice President for Student Affairs as the appropriate person for collecting and processing all incident reports.

When a student, faculty, or staff member tells a Campus Security Authority about an incident it must be reported. The CSA should complete an incident form and submit it to the College Conduct Officer for investigation. The CSA should consult with the Campus Conduct Officer about the investigation of the alleged crime. Designated College personnel may assist with further investigation, and may additionally consult with the reporting CSA and/or others to gather additional information.

Note: For serious crimes where there is likely and foreseeable threat to persons or property, immediately contact the Police by dialing 911, and then contact Campus Security at 201-559-3561 to report the incident.

The following are identified as Felician College Campus Security Authorities:

Campus Crime Data Collection Policy and Procedures

In order to comply with the federal requirement published by the Department of Education, Felician College has established a policy in regards to gathering accurate and complete crime statistics for the information of all members of the College Community, prospective students and their families, prospective employees and for the general public.

The following is the procedure for collecting crime data:

- Incidents are recorded in an incident report using Maxient judicial software and on a Campus Security Authority Crime Report Form.
- The Maxient incident report, as well as the Campus Security Authority Crime Report Form, is then sent to the College Conduct Officer.
- The College Conduct Officer then processes the case for adjudication, marking the incident in Maxient with a Clery identifiable tag.
- All information and documents involving this incident are placed in judicial files labeled FC-YEAR-INCIDENT NUMBER. Standard conduct file folders are yellow; all files containing Clery identifiable information are placed in blue file folders.
- The color coated files are placed in the Office of the Vice President of Student Affairs when they are complete.
- At the end of each semester or session, the College Conduct Officer and the Vice President of Student Affairs, reviews the content of the blue folders and confirms that the incidents were categorized properly as per the Federal definitions.
- The files are also checked to verify the consistency of sanctions.
- Once the files are checked the information is then collated and categorized for Clery data compilation and a report is generated using the Maxient judicial software.

- The Maxient analysis report is formatted to the specifications of the Handbook for Campus Crime Reporting.
- A letter is then sent to all of our offsite locations as well as our their local law enforcement agencies requesting Clery Crime Data
- The information is then received electronically or in physical document and placed with all other Clery in a folder located in the Office of the Vice President of Student Affairs.
- The information is then prepared at the beginning of each calendar year for the previous year's Clery Crime Data.

Access to Campus Facilities

Felician College is an open campus. While the entire campus community is encouraged to practice personal safety awareness, the Campus Security Department works in conjunction with the Lodi and Rutherford Police Departments to insure regular patrol of the campus. The Campus Security Officers patrol both campuses 24 hours per day, 7 days per week, both on foot and by utilizing vehicles so marked as campus security.

Residence Hall doors are staffed and/or locked 24 hrs. per day with a required sign in. To gain access, Residential Students have to present a Felician College issued valid student ID card. All College personnel are required to identify themselves prior to entering a Residence Hall.

Parking and Traffic Regulations

All members of the Campus Community must abide by the College's campus parking and traffic regulations. Campus Security is responsible for the administration and enforcement of these regulations. Campus parking hangtags are required for campus parking and are obtained from the Security Office in Rutherford. The College is not responsible for any damage or theft which may occur to vehicles or contents while parked on campus. Campus parking regulations are published in the Student Handbook.

Policies Concerning Campus Law Enforcement

Felician College provides its own Campus Security. The contracted security agency, APG Security, has their Security Officers trained by the College Conduct Officer in the College's accepted procedures and policies. The security officers are under the control and direction of the Vice President for Student Affairs. The security officers have the authority to require persons be identified and to determine whether individuals have lawful business on the campuses. The Security Officers have the authority to issue parking citations and to prepare incident reports and other miscellaneous reports. These Security Officers do not have the power of arrest. The investigation of criminal activities and the issuance of municipal summonses for parking violations are referred to the Lodi or Rutherford Police Departments.

Security incident and accident reports are submitted to the Office of the Vice President for Student Affairs and the College Conduct Officer. Also APG Security keeps a log that records all activity that occurs on each shift, the times that building checks are performed, any outdoor lights which are not functioning, a detailed account of all vehicles found to be in violation of College parking/safety regulations, and all vehicles which may have been towed.

Programs Offered on Campus Safety

Programs regarding campus and personal safety are offered to students entering Felician College and their parents during Orientation and, for returning students, at the opening residence hall meeting in September (Fall semester) and again in January (Spring semester). At these meetings, the issue of campus/residence hall safety is extensively discussed. Attendees are:

- Encouraged to act responsibly to ensure their own safety
- Informed of emergency procedures (including but not limited to how, and whom to contact in case of fire, theft, medical, or other life-threatening situations)
- Provided with information and/or pamphlets dealing with campus safety and personal safety

Substance Abuse Policy and Procedures

From its inception, Felician College has aimed to create an atmosphere in which total growth and development of each student and community member would be achieved. It now affirms that it is a Drug Free Workplace and that all members of the Felician College Community are subject to applicable Federal and State regulations concerning Drugs and Alcohol.

1. All unlawful manufacturing, distribution, dispensing, possession or use of controlled substances in the college or in college related premises by any member of the Felician College student body will be considered a potential serious violation of Federal, State and/or Local statutes. Violators will be subject to disciplinary action and/or legal prosecution, as appropriate to the circumstance.

2. All Felician College Community Members are required to report any criminal drug violation occurring at the college or on college related premises. Students and employees, who violate Felician policy, and/or other regulation, will be subject to participation in a drug or alcohol assistance program and other discipline, including suspension or termination.

New Jersey State Law prohibits the sale, purchase or consumption of alcohol under the age of 21. Violations of this law will not be tolerated at Felician College. Felician College has developed programs on alcohol education and awareness as to comply with Federal and State laws.

The above information is adapted from the Felician College Student Handbook, which is available for reference: http://felician.edu/sites/default/files/student_handbook_web_2012.pdf

Drug-Free Workplace Policy

Drug and alcohol abuses are a potential danger to society. They impair safety and health, promote crime, lower productivity and quality and undermine confidence in all that we do. As such, Felician College does not tolerate the illegal use of drugs and the abuse of alcohol. Under the federal "Drug-Free Workplace Act," in order for Felician College to be a "responsible source" for the award of federal grants, the following is effective immediately:

Any location, at which college business is conducted, whether on campus or any other site, is declared to be a drug-free workplace.

All students and employees of Felician College are prohibited from unlawfully manufacturing, distributing, dispensing, possessing or using controlled substances in the workplace. The following is a partial list of controlled substances. The Director of Health Services can provide a listing and explanation of known controlled substances, including:

- Narcotics
- Cannabis
- Stimulants
- Depressants
- Hallucinogens

Any employees' violations of the above policies are subject to discipline, up to and including suspension and/or termination.

Any employee convicted of violating a criminal drug statute in the College are required to inform the administration of such a conviction (including pleas of guilty and nolo contendere) within five days of the conviction occurring. Failure to so inform the College subjects the employee to disciplinary action, up to and including suspension or termination for the first offense.

The College reserves the right to offer College employees and students convicted of violating a criminal drug statute, participation in an approved rehabilitation or drug and alcohol abuse assistance program as an alternative to discipline. If such a program is offered and accepted by the employee or student, then the employee or student must satisfactorily participate in the program as a condition of continued employment.

All employees are asked to acknowledge that they have read the above policy and agree to abide by it in all respects. This acknowledgement and agreement are required as a condition of continued employment.

The above information is available at all times via the internet under the Human Resources tab for Felician College employees.

Sexual Misconduct Policies and Procedures

Felician College is a very positive, safe and healthy environment for all persons on campus. Our community depends upon trust, respect and dignity for all who study, work or visit our campus. These values are detailed in the Student Handbook. The College expects all those on campus to demonstrate a respect for others as well as to uphold Federal laws and the laws of the State of New Jersey. The College encourages all members of the community to be aware of both the consequences of sexual misconduct and the options available to those who are the victims of such misconduct.

Students or staff who are the target of sexual misconduct, sexual harassments or sexual assault, will report their concerns or incident to one of the following Campus Security Authorities.

Campus Security Authorities for sexual misconduct, sexual harassment, or sexual assault include:

Student Affairs	Dr. James Fitzpatrick	201-559-3565
Health Center	Carolyn Lewis	201-559-3586
Residence Life	Laura Barry	201-559-3505
Residence Life	Ian Wentworth	201-559-3506
Director of Student Development and Engagement	Patrick Dezort	201-355-1474
Director of Human Resources/Title IX Coordinator	Ginny Topolski	201-559-6055

The above Campus Security Authorities (CSA) will assist the individual in obtaining help, either through campus resources or seeking outside referrals, and also to initiate a complaint process through the Title IX Coordinator, Ginny Topolski.

*All CSA are required by Title IX to report incidents of sexual assault. The only exception to reporting is with licensed counselors in the Counseling Center and with the Bergen County Rape Crisis Center, 201-487-2227.

The Bergen County Rape Crisis Center, recently renamed “The Healing Space,” provides confidential sexual violence advocacy, and they are available 24 hours a day, seven days a week.

Counseling can be the most important step in the healing process after an assault. Counseling services are available in the Counseling Center located on the main floor of the Student Union on the Rutherford Campus. Counseling services on campus are **free and confidential**. Additional information about services provided by the Counseling Center is available on the College website www.felician.edu/counselingcenter.

Reporting to the police and/or filing a complaint is encouraged, but not necessary for the victim to receive counseling or other support services.

If a victim discloses an incident of sexual assault to a staff or faculty member a report must be made to the Director of Human Resources.

As per new legislation the SaVE ACT requires Colleges and Universities to disclose statistics on incidents of domestic violence, dating violence, and stalking.

SaVE requires that incidents of domestic violence, dating violence, sexual assault, and stalking be disclosed in annual campus crime statistic reports. Additionally, students or employees reporting victimization will be provided with their written rights to:

- Be assisted by campus authorities if reporting a crime to law enforcement
- Change academic, living, transportation, or working situations to avoid a hostile environment
- Obtain or enforce a no contact directive or restraining order
- Have a clear description of their institution’s disciplinary process and know the range of possible sanctions
- Receive contact information about existing counseling, health, mental health, victim advocacy, legal assistance, and other services available both on-campus and in the community

Sexual Assault Victim's Bill of Rights

Felician College recognizes that sexual violence committed on campus has a profound impact on the campus community and surrounding communities. Accordingly, to ensure the College is free from violence, sexual assault and nonconsensual sexual contact, and to support individual dignity and rights of each person in an academic environment, the College has adopted the New Jersey Campus Assault Victim's Bill of Rights.

The Federal Campus Sex Crimes Prevention Act amends the Violent Crime Control and Law Enforcement Act of 1994 to require Sex Offenders who must register under state law to provide notice of enrollment and/or employment at any institution of higher education in the state where the offender resides and to provide notice of each change of enrollment or employment status to the institution of higher education. New Jersey has a statute requiring Sex Offender registration. Information concerning registration of Sex Offenders may be obtained by accessing the New Jersey State Police website at www.njsp.org and using the link to the New Jersey Sex Offender Registration information.

Fire Safety and Prevention

Felician College is required by the Higher Education Opportunity Act of 2008 to disclose information about housing fire statistics, fire safety systems in student housing facilities, mandatory fire drills, fire safety policies, and education and training programs.

- g. Property damage incurred by the fire

The College Conduct Officer is responsible for maintaining and updating a Daily Crime and Fire Log. All incidents of fire are documented and sent to the College Conduct Officer via APG Security Report, Maxient Incident Report or e-mail for collation and cataloguing. The incidents are catalogued using the definitions provided in the Handbook for Campus Crime Reporting pg. 181-187. The Daily Crime and Fire Log will be accessible on site in the Office of the Vice President for Student Affairs located in Student Union on the Rutherford campus and in the Office of the Vice President for Administration, Enrollment and Planning. The Daily Crime and Fire Log is also located on the College’s website at the following link: <http://www.felician.edu/student-consumer-information> under “General Institutional Information.” The Daily Crime and Fire Log for the most recent 60-day period will be open to inspection, upon request, during normal business hours. Any portion of the log that is older than 60 days will be made available within two business days of the request. The Daily Crime and Fire Log must be kept for three years following the publication of the last annual report to which it applies (in effect, seven years).

➤ **2013 Fire Statistics – Student Housing**

➤

Facility	2011			2012			2013		
	Fires	Injuries	Deaths	Fires	Injuries	Deaths	Fires	Injuries	Death
Milton Hall	0	0	0	0	0	0	0	0	0
Elliott Hall	0	0	0	0	0	0	1	0	0

➤ **Fire Safety Systems**

Each residence hall is fully alarmed and equipped with sprinkler systems. When an alarm is triggered, a notification is sent directly to Rutherford Fire Department. Fire extinguishers, sprinklers, heat/smoke detectors, fire alarms, pull stations, and exit lights are located throughout the residence halls. Fire safety equipment is to be used only in emergency situations. Fire equipment, fire alarm systems, smoke detectors and fire evacuation procedures are provided for the protection of the life and property of residents. Residents are familiarized with the type and location of equipment, exits, windows and proper evacuation procedures from their floor/tower meetings and residence hall during orientation and routine fire drills. There are also diagrams conspicuously located in each of the rooms, suites and hallways in the Residence Halls.

Fire safety equipment is checked at the start of each Resident Assistants duty round. If an extinguisher is low, the On Call Administrator is called and the Fire Department is notified to come and fill and or replace it immediately.

Misuse, tampering with fire safety equipment, or covering smoke detectors may result in immediate eviction from College housing, and other College disciplinary measures. Additionally, possible fines and prosecution through the town/state legal system will be pursued.

The equipment per Residence Hall is as follows:

	Sprinkler System	Fire Alarm System/Addressable
Milton Hall-	Yes	Yes
Elliott Hall-	Yes	Yes

➤ **Supervised Fire Drills**

Each residence hall has two unannounced fire drills per semester that are scheduled and conducted by the Rutherford Fire Department. Additional drills may be scheduled at the discretion of the Fire Chief and Director of Residence Life. The Fire Chief is present and provides recommendations to the college to improve student, faculty and staff evacuation timeliness.

Elliott Residents are expected to exit their suite and proceed to the ground level to evacuate the building. Once a fire alarm is activated, bathroom doors become demagnetized. In case of a fire that hinders the standard evacuation of a room, students can exit through the bathroom to an adjoining suite. Once students have evacuated there are two evacuation points. The first is in the quad area located in front of Martin Hall. The other is located at the corner of West Passaic and Wood Street. These are indicated by the diagrams located on the back of the doors in each suite and room as well as in each hallway of the residence hall.

Milton Hall residents are required to exit their rooms and head to the nearest exit. There are 4 main exit points in Milton Hall. One located at the main entrance, one located at the bottom of the stairs on the North Side, one located at the bottom of the stairs on the South Side, and one located in the Wellness Center level that leads to the back parking lot.

Students are expected to gather in two specific locations. The first is across the street in the Student Union Parking Lot. The second is located at the corner of West Passaic and Wood Street.

In case of a fire, it is an expectation that students do not cross the typical path of a fire engine. Therefore, traffic is directed away from crossing streets. Resident Assistant Staff, Security Staff and Residence Life Professional Staff are trained in the evacuation procedures and locations.

Each building on the Rutherford and Lodi Campus has a designated Fire Captain. Annual Fire Captain training is conducted annually.

The following individuals must be notified in the event of an on-campus fire:

➤ ***Fire Safety Policies Procedures and Violations/Prohibitions***

Information about the residence halls’ fire equipment, fire alarm systems, and smoke detectors, along with the fire evacuation procedures are provided in the Residence Life Guidebook. This Guidebook is updated annually to reflect any changes in Federal or state law, College policy, and updates regarding fire safety procedures and relevant information. For the protection of life and property, residents should familiarize themselves with the type and locations of equipment, exits, windows and the proper evacuation procedures from their floor/tower and the residence hall. These items are reviewed and discussed with First Year Students during their Freshmen Orientation. Additionally, all residential students are informed of the Fire Policies and Evacuation Procedures during their first floor meetings at the beginning of the academic year.

Health and Safety Inspections are done three times a semester by the Assistant Director of Residence Life and Resident Assistant Staff. Students who pass an inspection are given a green slip indication their successful inspection. If a student fails the inspection they will receive a red notification that they have failed the inspection and will receive a letter to meet with the College Conduct Officer shortly thereafter. Any student that fails a Health and Safety Inspection has a right to request a copy of the inspection form from the Assistant Director of Residence Life. The College Conduct Officer then sends out a “Notice to Appear” letter and will meet with the student for adjudication.

The fire safety policies are listed in the Felician College Code of Conduct:

Misuse of, or tampering with the fire alarm systems, fire extinguishers, or other security equipment.

Health and Safety Violation –

The possession of any of the following items is prohibited in the residence halls:

- Exposed Heating Elements
- Extension Cords
- Broilers, toaster ovens, toasters
- Electrical lights (i.e. Christmas lights, rope lights, etc.)

- Hot pots or hot plates
- Coffee Makers (with the exception of those with internal heaters and automatic shut off)
- Blenders
- Live cut Christmas trees
- Candles, incense, oil lamps, open flames
- Popcorn poppers
- Space heaters
- Amplifiers, large speakers, base boxes
- Air conditioners
- Electric Blankets
- Halogen Lamps
- Large non-college issued furniture (couches, futons, etc.)
- Firecrackers
- Lava lamps

Consequences for violating any of these policies can range from a warning to possible expulsion from the residence halls.

Under the Felician College Code of Conduct, students are prohibited from reporting a false emergency, which includes false reporting of a fire, bomb, medical emergency, or any other emergency by means of activating a fire alarm or in any other manner.

All individuals on campus are prohibited from smoking in all campus buildings including the residence halls. Smoking is also prohibited in close proximity to a building on campus; therefore, the College has established designated smoking areas throughout the campus.

The Residential Smoking Policy is as follows:

Smoking in/near the Residence Halls – The smoking or lighting of cigarettes, cigars, black and mild’s, hookah etc. in the Residence Halls or in the areas closely surrounding the residence halls. The distance one must be to smoke on campus is 50 feet from any building.

Consequences can range from a warning to possible expulsion from the residence halls.

➤ *Fire Safety Education and Training Programs*

Fire safety training is conducted each semester during the academic year for the Residence Life professional staff and Resident Assistants by the Fire Chief for the Borough of Rutherford. Evacuation procedures mentioned in “Fire Safety Policies Procedures and Violations/Prohibitions” are covered during the trainings. Fire procedures are also stated in the Residence Life portion of the Felician College Student Handbook. This information is disseminated through an electronic copy which is located on the Felician College website. The Residence Life Staff covers the procedures in full detail during Freshmen Orientation and the First Floor/Tower Meetings.

Future improvements to the fire safety system at Felician College will be made as necessary.

Missing Student/Person

In accordance with the Higher Education Opportunity Act of 2008, Felician College has implemented a Missing Persons Policy to establish procedures to respond to reports of a missing student. This policy applies to students who are deemed missing or absent from the College for a period of more than 24 hours without any known reason or actions that may be contrary to usual patterns of behavior or unusual circumstances that may have caused the absence. Such circumstances include, but are not limited to: a) reports or suspicion of foul play, b) evidence of suicidal thoughts, drug use, any life threatening situation, or c) has been with persons who may endanger the student’s welfare.

Once a student has been reported missing, an investigation will begin. Notification will be made to the individual(s) identified by the missing person as his/her emergency contact and, if necessary, local law enforcement agencies. In the

event the student is under 18 years of age, the Vice President for Student Affairs, or designee, will communicate with the parents or guardian.

If a member of the Felician College Community has reason to believe that a student who resides in on-campus housing is missing, he or she will immediately notify Campus Security as well as the Residence Life Office. The Director of Residence Life will generate a missing person report and initiate an investigation.

In addition to registering an emergency contact, students residing in on-campus housing have the option to sign a FERPA form expressing consent for parental notification. Whoever is listed on this form will be contacted in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, Felician College will notify that individual no later than 24 hours after the student is determined to be missing. Students who wish to identify a confidential contact can do so through the Residence Life Office.
