

Estimated Cost of Attendance - Non-traditional Undergraduate Programs (Full-Time)

2017 - 2018

The Felician University Cost of Attendance is an estimate of a student's educational expenses for a period of enrollment. Federal law dictates the types of expenses that can be included in a Cost of Attendance. Regulations allow schools to set the allowances used for each type of cost and create a Cost of Attendance for different categories of students.

Note: The maximum amount that can be borrowed from the Federal Direct Parent (PLUS) Loans or an alternative (private) loan is the Felician University Estimated Cost of Attendance stated above minus other financial aid received.

This example would change depending on the amount of credits taken per term. The cost per credit for undergraduate non-traditional programs is \$695 per credit. The other costs would be prorated for less than full time study.
