

# Estimated Cost of Attendance - Non-Traditional Graduate Program: Online Master of Business Administration 2022-2023

The Felician University Cost of Attendance (COA) is an estimate of a student's educational expenses for a period of enrollment (costs below are based on the academic year). Federal law dictates the types of expenses that can be included in the cost of attendance. Regulations allow schools to set the allowances used for each type of cost and create a cost of attendance for different categories of students.
